

Warm up with OSCA! Join a Co-op for Winter Term

FOOD • FRIENDS • SELF-DETERMINATION

Why join a co-op?

No trays, lines, or validines..... All-day snacking privileges..... Fresh fruit and vegetables..... Guest privileges..... Determine your own environment..... Tastier than regular board!

HOW TO APPLY:

Fill out the application. **Turn it in to the OSCA office by 4pm Thursday, January 6.** Co-ops will be filled on a first-come, first-served basis, so hurry on up and turn in this form! Current OSCA members are not guaranteed a place and must also turn in the application. Third World Co-op requires that you fill out an additional application, unless you are a current or former member of TWC. Third World Co-op application is available on the OSCA website.* Participation in winter term co-ops is limited to Winter Term, and does not jeopardize or enhance your status if you are currently on a co-op wait list!

HOW MUCH?

ONLY \$60 per week! You can select all 3 weeks, or the first or last half of Winter Term (2 weeks each); see costs on reverse side. **Applications will not be accepted without payment. Once payment is made, there will be no refunds.**

WHICH CO-OP?

Options are Pyle Inn and Third World Co-op. (Harkness, Keep and Tank will all be closed during Winter Term.)

ACCESSIBILITY IN CO-OPS:

Additional information regarding OSCA's accessibility policies can be found on OSCA's website.* Check the appropriate box on the OSCA Winter Term application form if you would like to be contacted by an OSCA Accessibility Committee Coordinator.

Please fill out the application form on the back of this info sheet, and return it with a check or money order payable to OSCA. Submit them both to the OSCA Financial Office – Wilder 402 (or send them through campus mailroom).

Remember to rank your co-op choices! You may give multiple co-ops equal ranking if you feel the same about them.
